Dear Potential Sponsor,

The inaugural Black Women in Architecture and Design Brunch Cle will take place on October 6th. This event aims to bring together a small subset of design professionals and students of color in architecture and design to meet, share common experiences, develop partnerships and initiate supportive relationships. We are looking to raise \$600.

**We can't meet our goal without the help of supporters like you!**

Would you consider making a donation of \$150 to help sponsor this event, or supply items such as event bags or other appropriate event swag?

**In appreciation of your anticipated support, we would offer you:**

- Logo placement on event promotional material and event webpage / social media recognition
- Verbal recognition during the program
- Opportunity to provide branded material to attendees

We hope that we can count on you to participate in this year's event as a sponsor and contribute to the events success. Donations can be made via the donation option on the eventbrite page [<https://bwacle.eventbrite.com>]. Please contact me to discuss your donation or with any questions. Thank-you for your time and consideration.

Sincerely,

Michele Crawford, Event Coordinator
